No matter how you slice it, magic is at the heart of fantasy—and nothing makes that more real than a massive tome of spells.

Deep Magic: Vol. 1 Pocket Edition collects, updates, tweaks, and expands on years of magic from Kobold Press with more than 600 new and revised spells and other options:

- Theurge base class, blending the arcane and the divine in one caster
- 16 divine domains, such as Beer, Frost, Justice, Moon, and Time
- 11 arcane traditions, such as the Elementalist and the Timekeeper
- 4 sorcerous origins, including the Farseer and Serophage
- 3 otherworldly patrons, 3 druid circles, 3 ranger and martial archetypes, 2 bard colleges, and 2 sacred oaths
- Plus expanded rules for familiars and much more!

This tome is not just for wizards, warlocks, and sorcerers. *Deep Magic: Vol. 1 Pocket Edition* also expands the horizons of what's possible for bards, clerics, druids, and even rangers and paladins. It offers something new for every spellcasting class. Plus it includes the brand new theurge class!

With these new spells and options, your characters (or villains) can become masters of chaos magic, frost magic, or illumination magic. Seek out hidden colleges and academies of lost lore. And learn new runes, hieroglyphs, and cantrips to break down the walls of reality—or maybe just bend them a little.

Deep Magic Vol. 1 Pocket Edition contains nothing but magic from start to finish!
