

DEEP MAGIC

VOL. 2

POCKET EDITION

Master 400 New Spells for Fifth Edition!

Deep Magic Volume 2 Pocket Edition is a sequel to the spell-filled *Deep Magic Volume 1* and further expands on that first volume. *Volume 2* features over 400 new spells as well as:

- The Witch base class.
- 19 new subclasses
- 3 new backgrounds
- 14 styles of spellcasting
- 15 magical grimoires
- 3 new downtime activities
- 10 spellcasting NPCs to help or hinder characters
- Over a dozen tables, from descriptions of magical effects to reverse summoning quests, to the odd effects from drinking an old or badly brewed potion
- 16 adventure site location descriptions and encounter hooks to go along with the 24 Kobold Press Arcane Map Tiles

Whether you're a Game Master or player, *Deep Magic Volume 2 Pocket Edition* has something magical in store for you!

Like Volume 1, *Deep Magic Volume 2 Pocket Edition* is not just for wizards, warlocks, and sorcerers—or even just players! This volume expands options for almost every spellcasting class, including the new witch base class, and includes plenty of guidance throughout for Game Masters looking to use magic and spells as character rewards, as storytelling devices, and as villainous tools! Everything from *Deep Magic Volume 2* in a portable paperback edition!

- Downtime rules
- NPCs and Adventure sites
- New base class, new subclasses
- House near other Kobold Press source books.
- Detailed internal art.
