

# THE ART OF KOBOLD PRESS®

## ***A Visual History of Kobold Press***

Presented for the first time in one beautiful volume, The Art of Kobold Press is an essential addition to the library of fantasy art lovers everywhere. Carefully curated by Kobold Press Art Director Marc Radle, this collection features the best art from the past, present & future of Kobold Press, created by some of the most celebrated fantasy artists in the business, including Diane Franco, Brian Syme, William O'Brien, Aaron Miller, and more!

More than a visual experience, The Art of Kobold Press is bursting with anecdotes, behind-the-scenes sketches, and commentary from Kobold Press staff. Discover how Kobold Press grew from one Kobold in a trenchcoat to an entire team raising the Black Flag, in a story told through the art and illustrations that fired our imaginations!

*The Art of Kobold Press* is a fantasy art lover's dream-come-true. This high-quality printing of past and present Kobold Press artists is a perfect display piece for fans of Kobold Press and classic high fantasy art.
